The Topeka Federation of Women held the last session of the year Thursday, when they had luncheon and an afternoon meeting at the Governor's official residence in Buchanan. The house was decorated in peonies and roses, and a buffet luncheon was served to about 150 women.

Mrs. D. L. McEachron, yesterday installed as president of the Topeka Federation of Women.

After the luncheon a Swedish Weavers' Dance was given on the lawn by the fourth grade pupils of Summer school, under the direction of the teacher, Miss Ruth T. Wright. The dance is part of the regular gymnasium work for the children of the fourth grade, appointed by Mr. McEachron, the physical director. The dancers were in peasant costume, the girls wearing black skirts and yellow aprons with red laced bodices and red hoods, and the boys wearing red jackets and caps and khaki trousers. The luncheon and decorations were in charge of the social committee of which Mrs. J. C. Gafford is chairman. Mrs. Norman Wear presided in the absence of Mrs. Gafford.

After the dance Mrs. S. S. Estey, the retiring president, was presented with a corsage bouquet of roses and lilies of the valley. Mrs. H. O. Garvey was called upon to read some original verse, "The A. B. C. of the Federation," "There was a rhyme for each letter of the alphabet, concerning the members of the board of management, and the rhymes were pasted into a primer which was presented to Mrs. Estey, in the front of the book, printed cut-out letters were pasted to make the words "H. Estey, Her Book."

Mrs. Arthur Capper, through whose invitation the club party was given at the Governor's House, was given a bouquet of roses and lilies. Reports were then called for from the officers and heads of departments. These reports indicated an amount of work and service during the year that is an exceptional record of efficiency and achievement.

One of the important affairs conducted by the federation was the raising of a thousand dollars for the campaign having been in the hands of Mrs. W. A. McCarter with Mrs. W. D. Storrs and Miss Carolyn Thomas as her assistants. The money will be used as a scholarship fund for the education of Topeka girls in Washburn college. The federation gave members this fund as memorials from two of their deceased past presidents.

The money taken in by the club, according to the report of the treasurer, was nearly all expended in furthering projects of public welfare. The federation contributed to the Belgian relief fund; it brought speakers and musicians here from other towns to furnish programs of interest and value to the members; it contributed to the state federation scholarship fund; it assisted the Commercial club in state fair matters; gave a series of free concerts at the auditorium; brought an art exhibit to the city; engaged in legislative work in lobbying for a wage and detention home bill and a textbook measure, and worked for an appropriation for beautifying the state capitol grounds (though that measure failed), and the federation gave three hundred dollars to the club house fund. The stock company plan for building a club house has been suggested, and a committee has been appointed to work in the interests of the project of buying or building a club home. The federation began the work of protecting trees against insects, and in addition to all the enterprises the organization has been interested in, it has held regular all-day meetings each month; each department has had two open morning meetings, and has furnished one afternoon program.

FRECKLES

Now Is the Time to Get Rid of These Ugly Spots.

There's no longer the slightest need of feeling ashamed of your freckles, as the prescription ointment—double strength—is guaranteed to remove these homely spots.

Simply get an ounce of ointment—double strength—from any druggist and apply a little of it night and morning and you should soon see that even the worst freckles have begun to disappear, while the lighter ones have vanished entirely. It is seldom that more than an ounce is needed to completely clear the skin and gain a beautiful clear complexion.

Be sure to ask for the double strength ointment as this is sold under guarantee of money back if it fails to remove freckles.—Adv.

gested, and a committee has been appointed to work in the interests of the project of buying or building a club home. The federation began the work of protecting trees against insects, and in addition to all the enterprises the organization has been interested in, it has held regular all-day meetings each month; each department has had two open morning meetings, and has furnished one afternoon program.

Among the speakers brought during the year to assist with various programs were: Mrs. W. L. Thomas, of the National Peace committee; Miss Helen Johnson, of Washington, of the National Home Economics organization; Mrs. Waterman Stone, of Kansas City, an authority on art. Mrs. McCarter in her report, spoke of two Kansas women of importance that she had presented on her program, Miss Esther Clark, of Lawrence, who read some of her poems, and Mrs. May Belleville Brown, of Salina, short story writer.

In accordance with the motto suggested by the president, Mrs. Estey, that it was better to live richly than to die rich, the club has not sought to hoard any of its funds, and has spent during the year, \$338.50.

The new officers were introduced after the reports were finished. Mrs. D. L. McEachron, the wife of Dean McEachron of Washburn College, is the new president. In her short address she spoke charmingly of the rose as symbolizing the organization in its construction, growth and meaning. Mrs. McEachron has taken an active part in club work in Topeka, has an interest in public and educational affairs, and as a woman of winning and refined personality, she will grace the office to which she has been chosen.

The other officers for the new year are: Mrs. Albrecht Marbury, president; Mrs. Estey, second vice-president; Mrs. J. L. Work, recording secretary; Mrs. W. D. Storrs, corresponding secretary; Miss Carolyn Thomas, treasurer; Mrs. S. S. Bages, auditor; Mrs. O. L. Moore, parliamentarian, and the chairmen of the departments will be: Mrs. W. A. Johnston, social; Mrs. J. Wilson, music; Mrs. Bennett R. Wheeler, literature; Mrs. A. Robinson, forestry; Mrs. C. J. Evans, civics; Mrs. A. H. Thibault, domestic science; Mrs. Katherine Hand, art; Mrs. C. B. Van Horn, educational; Mrs. W. A. Godard, chairman of club house committee; Mrs. H. O. Garvey, program; Miss Helen Currie, halls and properties; Mrs. George Parkhurst, chairman of nominating committee.

Melvern Pribble gave a graduation class party Wednesday evening at his home, 1275 Tyler street, for the members of his class, the eighth A of Polk school. The following were present: Miss Catherine Gentry, principal; Miss Maude Taggart, eighth grade teacher; Misses Barbara Jarrell, Margaret Fair, Verda Birch, Margaret Hostilla, Esher Paxton, Dorothy Hetherington, Pauline Cummings, Helen Beasley, Mary Pigners, Thelma Iyus, Margaret Officer, Messrs. Fighting for her honor in the grasp of a vicious man, a guest at her own table, who takes advantage of the dispersing of the guests at a Bohemian party, to make her the victim of his desires is one of the thrilling moments that confronts "Cora," the singer, and leading role in the screen drama, "Cora" in which the gifted young actress, Miss Emily Stevens will be seen in this latest production by the Metro Pictures Corporation, at the Iris tonight.—Adv.
